LARA BASKETBALL CLUB

Introduction

Welcome to the Lara Basketball Club.

The Lara Basketball Club was established in 1992 by a group of very enthusiastic locals and has been operating successfully for over 20 years. The Club is currently represented by 40 teams, which play in the Basketball Geelong (BG) competition at the Arena Basketball complex, North Geelong.

The BG competition caters for age groups commencing from the Under 10s and going through to the Open Men's and Women's competition.

The Lara Basketball Club has a very active and progressive committee, which is striving for a strong, vibrant and competitive club by providing its members with an opportunity to play basketball at all levels.

Season Commences

There are 2 competition seasons offered by BG. They are winter, which commences at the end of April and summer which commences at the beginning of October. It is worth noting that the winter season is regarded as the "Championship" season by BG.

Training Venue

All teams train at either the Lara Recreation Hall at Lara Primary School, Flinders Avenue, Lara or at Lara Lake Primary School, Forest Road, Lara. Training times vary for each team. Your coach will advise you of the time and night that your team trains.

Lara Primary School

Game Venue

All teams play at either The Arena Annex, Baxter Road, North Geelong or the Corio Leisuretime Centre, Anakie Road, Corio. Night/Day of play will depend on your age group and grading of the team you are selected in.

Equipment

Minimal equipment is required to play basketball. The Club provides everything required for training, and GABA provides equipment for match games. All you need is a good pair of shoes, Club uniform and a drink bottle.

Age Groups

The BG competition provides for boys and girls in the following age groups: Under 10, 12, 14, 16, 18 and 23, with Open grades for Men's and Women's teams.

Coaching

The Club provides coaches for each team as required. These coaches generally come from the Club's parent base and its committee. The Club is always looking for coaches, as without them, it cannot field a team. The Club will provide you with the relevant training, guidance and support that are required.

Parental Assistance

It is compulsory for each team to provide a scorer at every game. This involves either operating the time clock or completing the score sheet. It is usual for the scorer to come from the team's parent support base and a roster is usually formulated by the coach or team manager to ensure this task is shared equally between families.

Club Uniform

The club uniform consists of a singlet and shorts in sky and navy blue and is compulsory. A uniform set costs \$75.
